

# Student Behavior and Discipline

My classroom discipline plan is designed to help students be responsible for their behavior choices. My goal is to teach students to use good manners and be respectful of others. Students are rewarded for positive behavior choices, and there are consequences for negative behavior choices.

As a part of our PBS program we will establish several clear expectations for the behavior we expect in all areas of our school. We will explicitly teach those expectations to the students and recognize them frequently for their great behavior. These expectations include:

1. Go Safely
2. Show Respect
3. Be Responsible

Consequences:

Every student will have a pocket that holds a colored card. If a rule is broken then the color of the card will change. Every student will begin the day with a card.

1. Great/**Blue** Card = Student is meeting expectations!
2. Oops /**Green** Card = Student will go to the Safety Seat.
3. Warning/ **Yellow** Card= Student will go to the Buddy Room and reflect on their behavior.
4. Stop/**Red** Card= Student will go to the Focus Room/Principal's Office and make a phone call home.
5. Excellent/**Purple** Card = Student has done something extraordinary, made progress, or been an extra good helper and friend!

This behavior system is designed to provide all students with maximum learning opportunities. Misbehavior that keeps students from learning will not be tolerated. It is not our goal to control your child's behavior, but rather to help your child learn to control his or her own choices and be respectful of others.

It is important for us to have open communication about your child; I will mark in your child's folder their behavior for the day.
